

A PARTNERSHIP THAT WORKS

Times of national crisis can dramatically disrupt a military family's life. Reserve, National Guard, and Active duty youth need to be able to connect with other youth in similar situations. The Partnership delivers physical, emotional, social, and cultural programs for military youth living in civilian communities. **MISSION:** Youth Outreach supports military kids coping with the stress of having a parent or parents deployed by creating a network of youth who can empathize and help them cope with their new world of being suddenly "military".

Through a Joint Military Services Initiative, military dependent children ages 6-18 can get pre-paid programs and services through their local off-installation Boys & Girls Clubs.

WHAT DOES A BOYS & GIRLS CLUB OFFER?

Known as "The Positive Place for Kids," Boys & Girls Clubs are staffed by trained professionals who truly care and are vested in realizing the full potential of each young person. Clubs offer diversified program activities in five areas:

- Character and Leadership Development
- Education and Career Development
- Health and Life Skills
- The Arts
- Sports, Fitness and Recreation

WHERE'S THE NEAREST CLUB?

Military families living off-installation can find a Club by using the "Find A Club" feature on www.bgca.org/military. This tool can display up to five Clubs located closest to your family. You can also call 1-800-854-CLUB – an automated system will match your phone number to the nearest Club.

HOW DO I ENROLL MY CHILDREN?

All off-installation Boys & Girls Clubs have their doors open to youth from military families. Just present your completed enrollment form to front desk personnel at your local Club. Your children will be welcomed with no fee to pay!
